(a) REALTOR® Members. The annual dues of each Designated REALTOR® Member shall be in such amount as established annually by the Board of Directors, plus an additional amount to be established annually by the Board of Directors times the number of real estate salespersons and licensed or certified appraisers who (1) are employed by or affiliated as independent contractors, or who are otherwise directly or indirectly licensed with such REALTOR® Member, and (2) are not REALTOR® Members of any Association in the state or a state contiguous thereto or Institute Affiliate Members of the Association. In calculating the dues payable to the Association by a designated REALTOR® Member, non-member licensees as defined in Section 2(a) (1) of this Article shall not be included in the computation of dues if the DR (Designated REALTOR®) has paid dues based on said non-member licensees in another Association in the state or a state contiguous thereto provided the Designated REALTOR® notifies the Association in writing of the identity of the Association to which dues have been remitted. A REALTOR® with a direct or indirect ownership interest in an entity engaged exclusively in soliciting and/or referring clients and customers to the REALTOR® for consideration on a substantially exclusive basis shall annually file with the association on a form approved by the association a list of the licensees affiliated with that entity and shall certify that all of the licensees affiliated with the entity are solely engaged in referring clients and customers and are

not engaged in listing, selling, leasing, renting, managing, counseling or appraising real property. The individuals disclosed on such form shall not be deemed to be licensed with the REALTOR® filing the form for purposes of this Section and shall not be included in calculating the annual dues of the Designated REALTOR®.

The exemption for any licensee included on the certification form shall automatically be revoked upon the individual being engaged in real estate licensed activities (listing, selling, leasing, renting, managing, counseling, or appraising real property) other than referrals, and dues for the current fiscal year shall be payable.

Membership dues shall be prorated for any licensee included on a certification form submitted to the association who during the same calendar year applies for REALTOR or REALTOR-ASSOCIATE membership in the association. The National Association shall also credit \$35.00 to the account of state associations for each Institute Affiliate Member whose office address is located within the territorial jurisdiction of the state association. Local and state associations may not establish any additional entrance, initiation fees or dues for Institute Affiliate Members, but may provide service packages to which Institute Affiliate Members may voluntarily subscribe. NOTE: To clarify that if a sales licensee's membership is terminated for non-payment of Association dues or chooses not to hold REALTOR® membership then the Designated REALTOR®'s personal dues obligation to the Association is increased to reflect the addition of a non-Member licensee. Thus, the dues obligation remains, but it becomes the obligation of the Designated REALTOR®.

(a) In the event a sales licensee or licensed or certified appraiser who holds REALTOR® membership is dropped for nonpayment of Association dues, and the individual remains with the Designated REALTOR®'s firm, the dues obligation of the "designated" REALTOR® (as set forth in Article X, Section 2(a)) will be increased to reflect the addition of a non-Member licensee. Dues shall be calculated from the first day of the current fiscal year and are payable within 30 days of the notice of termination.

Section 4. Non-payment of Financial Obligations. If dues, fees, fines, or other assessments including amounts owed to the Association or the Association's Multiple Listing Service are not paid by December 31st, no action shall be taken to suspend or expel a Member for nonpayment of disputed amounts until the accuracy of the amount owed has been confirmed by the Board of Directors. A former Member who has had his membership terminated for nonpayment of dues, fees, fines, or other assessments duly levied in accordance with the provisions of these Bylaws or the provisions of other Rules and Regulations of the Association or any of its services, departments, divisions or subsidiaries may apply for reinstatement in a manner prescribed for new applicants for membership, after making payment in full of all accounts due as of the date of termination.

Section 8. The dues of REALTOR® Members who are REALTOR® Emeriti (as recognized by the National Association), Past Presidents and past treasurers of the National Association or recipients of the Distinguished Service Award shall be as determined by the Board of Directors. (Amended 11/2013)

NOTE: A Member Association's dues obligation to the National Association is reduced by an amount equal to the amount which the Association is assessed for a REALTOR® Member, times the number of REALTOR® Emeriti (as recognized by the National Association), Past

Presidents and past treasurers of the National Association, and recipients of the Distinguished Service Award of the National Association who are REALTOR® Members of the Association. The dues obligation of such individuals to the local Association should be reduced to reflect the reduction in the Association's dues obligation to the National Association. The Association may, at its option, choose to have no dues requirement for such individuals except as may be required to meet the Association's obligation to the State Association with respect to such individuals. Member Association's should determine whether the dues payable by the Association to the State Association are reduced with respect to such individuals. Membership Policy Statements Approved by the Board of Directors NATIONAL ASSOCIATION OF REALTORS®

(The following policy statements are informational, and not part of the Bylaws.)

Statements of Membership Policy Related to Implementation of Association of Choice

That, effective upon approval by the Board of Directors, the following statements of membership policy and amendments to the Model Association Bylaws to implement the association of choice proposal be adopted.

The primary association of affiliation elected by a REALTOR® must be in the state where the REALTOR® is licensed and maintains his/her principal place of business. Licensees affiliated with a REALTOR® firm may choose as their “primary” association any association in the state where the firm maintains a “Designated” REALTOR®.

Membership shall be available to a secondary association on terms and conditions no more stringent than the requirements established in the association’s Bylaws of REALTOR® membership. The privileges of membership shall be the same including the right to vote and hold office. Membership will be granted to individuals who hold REALTOR® membership in their primary association without any requirement that the Designated REALTOR® they are licensed or affiliated with hold membership in the secondary association. However, MLS services will only be available if the Designated REALTOR® participates in the MLS. Association dues shall not include a national allocation since NAR dues have been paid through the member’s primary association. A state allocation may only be included if the member’s primary association is located in a different state.

REALTORS® shall be entitled to purchase services from associations other than their primary association without the necessity of holding membership in those associations. Service fees will be determined by the individual associations. However, the association may require that a REALTOR® (principal) be licensed in the state as a condition of MLS participation. (Adopted 2/94; Amended 11/96)

Concerning Association of Choice Across State Lines

That the membership choices currently provided under Association of Choice be expanded across state lines as follows:

Members may join a primary association across contiguous state lines. State association membership would be in the state where primary association membership is held. To become effective July 1, 1996, with optional local association adoption sooner. (Adopted 11/95)

Portability of Membership Records (Files)

In order to facilitate timely processing of applications for membership and to assist associations in determining an applicant’s qualification for REALTOR® membership, associations shall, based on a request from another association, share information about current or former members. Minimum “core” member information shall include:

1. Previous applications for membership
2. All final finding of Code of Ethics violations and violations of other membership duties within the past three (3) years (when available)
3. Pending complaints alleging violations of the Code of Ethics or alleging violations of other membership duties
4. Incomplete or (pending) disciplinary measures
5. Pending arbitration requests (or hearings)
6. Unpaid arbitration awards or unpaid financial obligations to the association

or its MLS. An association may, at its discretion, consider information received from other associations when determining whether an applicant satisfies the association's membership requirements as established in the association's bylaws (not to exceed NAR's Membership Qualification Criteria). (Adopted 2/96)

Clarification of the Term "Principal"

The term "principal" as used in the NAR Constitution and Bylaws and in other relevant policies, includes licensed or certified individuals who are sole proprietors, partners in a partnership, officers or majority shareholders of a corporation, or office managers (including branch office managers) acting on behalf of principals of a real estate firm. (Adopted 11/96)

Secondary Membership in a Board/Association

When a member has joined a primary association and paid local, state and national dues, secondary membership may be held in a local association in another state (provided the applicant meets all of the qualifications for membership) without holding membership in that state association, or alternatively, secondary membership may be held directly in the state association without holding membership in a local association in that state. (Adopted 11/96)

Membership Requirements Related to Multiple Office Locations

When considering an applicant for REALTOR® membership who is a principal in a real estate firm, associations have an obligation to determine that all of the principals of the real estate firm who are actively engaged in the real estate business in the state are either applying for or already hold REALTOR® membership in a board or association. (Adopted 11/96)

If an association (local, state, national) is notified by another association that a REALTOR® member has an office location elsewhere in the state that is not functioning as a "REALTOR®-office" (i.e., licensees affiliated with the office are not members or are not accounted for under the DR dues formula) the association where the REALTOR® holds primary membership shall be responsible, in cooperation with the state and national associations, for ensuring compliance with applicable membership policies (i.e., that said licensees hold membership in the REALTOR®'s primary association - or some other association in the state where the firm maintains a designated REALTOR® presence - or that dues have been paid to an association based on non-member licensees affiliated with the office.) (Adopted 11/96)
